REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Fire records are made by people—those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres—a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A. M. and 5:00 P. M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important—Instruct your children that matches are not play things.

TRULY — ONLY YOU CAN PREVENT FOREST FIRES

The Town of Hodlerness had an unusually good record with only three fires for a total acreage of .5 burned by fire.

The warden would like to thank the people of Holderness for their cooperation and consideration which has made the above record possible.

212 Permits Issued. 3 Fires ½ Acre burned

A REPORT BY THE HOLDERNESS WATER LEVEL COMMITTEE

The Water Level Committee was created through Article 12 at the 1966 town meeting by the voters of Holderness and is now an official organ of town government.

We have defined the Committee's functions as that of an information gathering agency responding to inquiries in order to coordinate the various data collected by the many governmental departments involved. This has required the members of this committee to call upon the services of the Environmental Science Services Administration, U. S. Geological Survey, New Hampshire Water Resources Board, Water Pollution Commission plus others. The work of keeping track of the lake level has also involved the cooperation of the selectmen in two other towns.

At a special meeting the Holderness Chamber of Commerce heard Water Level Committee members discuss further the problems of our lower-than-normal water heights.

Sale of the Ashland town-owned dam, first to the boatyard owners, and ultimately to the Squam Lakes Association, led to the eventual gift to the State of New Hampshire who now retains ownership. This move does not directly affect water discharge policy however. Under a court decree (State of New Hampshire v James N. Nichols, 1951) the Ashland Paper Mills, Inc., may draw sixty (60) cubic feet per second as a minimum amount. Through correspondence with the New Hampshire Water Resources Board the mean high water level of the Squam Lakes (561.00 feet above sea level) was determined as it applied to inquiries from lakeshore owners. Previously the Squam Lakes had been defined as having an "artificial" height due to the man-made dam at Ashland.

Any complete forecast at the time of this printing would be premature but it is safe to mention **a few factors that will definitely affect our 1967 Squam Lakes water level:**

Due to the size of the two lakes with their relatively small watershed areas discharge rates will have an extremely critical influence upon water levels.

We will require much more precipitation this spring to maintain a full lake.

And ground water is much higher now so the effects of runoff should be more readily felt.

POLICE COMMITTEE REPORT

This committee was created by a motion passed at the 1966 Town Meeting which was as follows: "Authorize a committee to be formed by the Police Department and Selectmen to study the police protection of this Town in the capacity of a fact-finding committee."

The committee found that during the ten week period from the middle of June through Labor Day that there was little or no police protection in the congested area of the Squam Bridge section where there has been previous trouble.

Therefore, the committee recommended to the Selectmen that a police officer be hired for the ten week period at a salary of $85.00 per week plus mileage for the use of car and free uniform equipment to patrol this area between the hours of 4:30 p. m. and 1:30 a. m. six days a week.

The committee notes with satisfaction that vandalism to boats tied up around the bridge area as well as speeding traffic were virtually eliminated as a result of this police officer's efforts.

In conclusion this committee feels that to retain a high caliber, part time police department such as we presently have, we should seriously consider establishing a base compensation for "standy-by" duties and also continue on with the presently established arrangement with frequent evaluations.

Report of

AN EXAMINATION AND AUDIT

OF THE ACCOUNTS

OF THE

Town of Holderness

FOR THE FISCAL YEAR

ENDED DECEMER 31, 1966

MADE BY

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

December 9 and 12, 1966

January 3 and 4, 1967

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 18, 1967

Board of Selectmen
Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Holderness for the fiscal year ended December 31, 1966, which was made by this Division in accordance with the vote of the Town.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Fire Department, Park Board, Zoning Commission, Holderness Cemetery Fund and Trustees of Trust Funds.

Financial Statements

Comparative Balance Sheets: December 31, 1965—December 31, 1966:
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1965 and December 31, 1966, are presented in Exhibit A-1. As indicated therein the Surplus increased by $1,250.20 in 1966.

Analysis of Change in Financial Condition:
(Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase In Surplus

Net Budget Surplus	$4,150.20	
Long Term Notes Paid	2,100.00	
		$6,250.20

Decrease in Surplus

Surplus Used to Reduce Tax Rate	5,000.00
Net Increase	$1,250.20

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues:

(Exhibits A-3 and A-4)

Comparative Statements of Appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1966 are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of $258.15, plus a revenue surplus of $3,892.05, resulted in a net budget surplus of $4,150.20.

Summary Statement of Receipts and Expenditures:

(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1966, is indicated in Exhibit B-2.

Fire Department: (Exhibit F)

A statement of the Fire Department accounts for the fiscal year is included in Exhibit F.

Holderness Park Board: (Exhibit G)

A statement showing the activity in the accounts of the Holderness Park Board during the fiscal year is presented in Exhibit G.

Statement of Long Term Indebtedness: (Exhibit K)

A statement of the outstanding long term indebtedness as of December 31, 1966, showing annual debt service requirements, is contained in Exhibit K.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures is verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased from $24,082.09 to $23,-232.29 in 1966, as shown herewith:

Total Assets	**$73,216.80**	**$84,749.99**
Current Liabilities	**49,134.71**	**61,517.70**
Current Surplus	**$24,082.09**	**$23,232.29**

Surety Bond:

The surety bond of the Town Clerk should be increased from $2,000.00 to $4,000.00.

Classification of Accounts:

Greater care should be exercised in the classification of expenditures to the end that each and every expenditure is charged to the proper appropriation account.

Payroll Vouchers:

Vouchers issued for payroll expenditures should reflect the gross amount of earnings and the expenditure classification recorded in this manner. Thè amounts withheld for income taxes and social security should be carried out in separate columns designated for these purposes. Payroll checks are issued for the net amount and so entered in the "total payment" column. At the close of the period the checks issued in payment of withholding taxes and social security withholdings should be entered in the "total payment" column. The amount of payments on account of taxes withheld, plus social security deductions, plus payroll checks issued, should equal the total amount of earnings.

Fire Department and Other Agency Accounts:

It is recommended that in the case of the fire department and other agency accounts, the use of a columnar sheet with appropriate classifications of expenditures be adopted.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Holderness for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER, Director
Division of Municipal Accounting

EMERGENCY SCHOOL DISTRICT MEETING
October 29, 1966

An Emergency Meeting of the Holderness School District was held on October 29, 1966. The following Article appeared in the Warrant for said Meeting:

> "To see if the District will vote to accept the provisions of Public Law 89-10, Title 111, with respect to supplementary educational centers and services, to authorize the School Board to apply for such funds as may be available under such Public Law for such particular projects as may be determined by the School Board and to appropriate such funds as may be available to the School District under such Federal Act."

The vote was carried thirty-seven (37) yes votes, eleven (11) no votes.

BACKGROUND OF SCIENCE MUSEUM AND TITLE III APPLICATION

The Squam Lakes Science Center, Inc. represents a group of people interested in establishing a science museum in the town of Holderness. This center will be planned and built by private funds.

In connection with this effort, the Holderness School Board, as authorized by the voters at the emergency school district meeting mentioned above, has applied for federal funds to hire an educational director and secretary to establish information as to what our N. H. school children most need and could best use in the museum. An office and necessary equipment would also be paid for from these federal funds.

On January 15, 1967, an application for funds in the amount of $23,275.00 was filed. Notification of acceptance or rejection of the application is expected by mid-April, 1967.

The October 29th meeting authorized application for funds only for above planning. Permission to apply for any additional federal monies under the Elementary and Secondary Education Act must first be granted by the voters before any action can be taken.

HOLDERNESS SCHOOL BOARD

MINUTES OF ANNUAL MEETING MARCH 1966

The annual meeting of the Holderness School District was called to order at 4:30 P. M. on March 5, 1966 by the moderator, Mr. Carlton Elsner. The moderator read the articles of the warrant. Mr. Currier moved, and Mrs. Henderson seconded Article I as follows:

> I move the polls remain open for voting on Article I until 9:00 P. M. and that the remaining articles be acted upon at 8:00 P. M.

The motion was carried unanimously.

At 8:00 P. M. the meeting was brought to order by the moderator. Mr. Hall offered a prayer.

Mr. Colliander moved and Mrs. Wolf seconded Article II as follows:

> I move the District approve the salaries of the School Board, Attendance Officer and other officers and agents of the District as proposed in the budget, namely: School Board $200 each; Chairman $225; Clerk $10; Treasurer $100; Moderator $10; Ballot Clerks $10; Census Taker $35; Attendance Officer $10; and Bookkeeper $300 as proposed in the budget.

The motion was carried by voice vote without opposition.

Mrs. Fiore moved and Mrs. Ayer seconded Article III as follows:

> I move the District accept the reports of the audit of the General Fund, Treasurer, School Lunch Program that was made by the Division of Municipal Accounting of the State Tax Commission and the reports of the Agents of the District as printed in the Annual Report.

The motion was carried by voice vote without opposition.

Mr. Hunt moved and Mr. Karsten seconded Article IV as follows:

> I move the District authorize the School Board to enter into a yearly tuition contract with Laconia and Plymouth School Districts for pupils in grades 9 through 12.

Mr. Willoughby asked the Board if this contract deviated from the regular contract. Mr. Currier replied that it did not. Since both Plymouth and Laconia Tuition Rates are above the average authorization had to be obtained from the School District. A question from the moderator as to whether the other two schools involved—Interlakes and Ashland—were below the average brought Mr. Currier's reply that Ashland was average and Interlakes was below average.

The motion was carried by voice vote without opposition.

Mr. Currier moved and Mrs. Wolf seconded Article V as follows:

> I move that the District vote to accept the provisions of Title I of Public Law 89-10 and to appropriate the sum of $831.76, such monies having been made available to the District under said Federal Act for such particular projects as may be determined by the School Board. I further move that the District authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

There was no discussion and the motion was carried by voice vote without oppostion.

Mrs. Ayer moved and Mrs. Corbett seconded Article VI as follows:

> I move the District vote to approve the contingency fund of $250.00 listed in the budget.

The moderator pointed out that this was a new regulation this year, that this will be part of the school budget after this year. Mrs. Fiore requested clarifi-

cation. Mr. Colliander and Mr. Currier answered that Holderness has always carried a contingency fund but that this last year the State said it was unconstitutional and must be presented to the town at the school meeting. It will be voted on each year, and can be removed by vote from the budget at any time. Discussion brought out that although the state allows up to one percent the Board was asking only for $250.

The motion was carried by voice vote without opposition.

Mrs. Henderson moved and Mr. Corbett seconded Article VII as follows:

> I move the District vote to raise and appropriate the sum of $123,275.00 for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

Mr. Currier pointed out that the budget has been reduced from last year's budget if the items over which the town has no control are removed, i. e., increased tuition charge, transportation charge, new teacher, etc. Mrs. Ayer asked why a new teacher was needed. The moderator asked for and received permission from the meeting for the principal, Mr. Kenneson, to speak. Mr. Kenneson explained that a remedial program has been instituted half a day five days a week. The state allows no more than forty students in a class and next year forty-five are anticipated in one class which will mean splitting the class. Twenty more pupils are expected for next year. Mr. Willoughby asked if this will be a progressive need. Mr. Currier answered that it would seem so. Mrs. Henderson pointed out that five days before school opened last fall twelve students were enrolled who had not been expected.

The motion was carried by voice vote without opposition.

Mr. Willoughby moved and Mr. Carvelli seconded Article VIII as follows:

> I move the District authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which now or hereafter may be forthcoming from the State of New Hampshire and/or United States.

Mr. Currier mentioned that this motion includes sweepstakes money.

The motion was carried by voice vote without opposition.

The moderator read Article IX as follows:

> To transact any other business that may legally come before the meeting.

Mr. Colliander advised the meeting that there is a program under consideration to get a museum of natural science in the town. If and when such a program is clarified a sponsoring agent would be needed. It has been requested the school board be used. The feeling of the Board is that it was elected to work on school programs and that it should not so sponsor such a project without the approval of the town. Mr. Colliander added that some time a special meeting may be called for a vote on this matter. He asked Mr. Hunt to elaborate on the information he had given. Mr. Hunt said that Mr. Bradford Washburn was very enthusiastic about such a museum — a satellite of the Boston Museum of Natural Science. He said the Boston Museum also was enthusiastic about this project. There is some thought of the University of New Hampshire acting as sponsor. Although it is too early for any definite information to be given to the town Mr. Colliander said he wished to advise the town of the possibility of such a project and to explain that later on a special meeting might be called.

There being no further business Mr. Karsten made a motion to adjourn. The motoin was seconded by Mr. Forbes. The moderator pointed out that the motion was for the adjournment of the meeting only, the polls remaining open until 9:00 P. M.

At 9:00 P. M. the polls were closed and the ballots counted. The results of the ballots were read by the moderator as follows:

Number of ballots	41
For Moderator—Carlton L. Elsner	40
Clerk—Gertrude Elsner	41
Treasurer—Marguerite Brown	41
Member of the School Board for three years—Charles L. Currier	41

The officers were sworn in by the moderator. The clerk swore in the moderator.

Respectfully submitted,

STATE OF NEW HAMPSHIRE
SCHOOL DISTRICT WARRANT

GRAFTON, ss. School District of Holderness

To the Inhabitants of the School District in the Town of Holderness, New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet in the Holderness Central School in said District on the 4th day of March 1967, at 4:30 o'clock in the afternoon, to act upon the following articles as set forth in this warrant:

Article 1 of this warrant covering the election of Moderator, Clerk, Treasurer and member of the School Board will be acted upon at 4:30 p. m.. and voting will be by official ballot and check list. The polls will remain open for this purpose from 4:30 p. m. to 9:00 p. m., if the meeting so determines. At 8:00 p. m. the remaining articles will be acted upon.

1. To choose by ballot a Moderator, a Clerk, and a Treasurer to serve one year, and one member of the School Board to serve a term of three years.

2. To determine and appoint the salaries of the School Board, and fix the compensation of any other officers or agents of the District.

3. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

4. To see if the District will authorize the School Board to enter into a yearly tuition contract with Inter-Lakes School District for pupils in grades 9 through 12.

5. To see if the District will vote to accept the provisions of Title 1, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the District under said Federal Act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

6. To see if the District will vote to establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year. Such fund shall not exceed one per cent of the amount appropriated for school purposes, exclusive of capital expenditures and amortization of debt, during the preceding year. (RSA 198:4b)

7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

8. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

9. To see if the District will pursuant to N. H. RSA 195-A:3, create an authorized regional enrollment area school planning committee consisting of three qualified voters of whom at least one shall be a member of the School Board.

10. To transact any other business that may legally come before the meeting.

Given under our hands at said Holderness, this 16th day of February 1967.

SUMMARY OF FINDINCS AND RECOMMENDATIONS

August 24, 1966

The School Board
Holderness School District
Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Holderness School District for the fiscal year ended June 30, 1966, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

Scope Of Audit

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

Financial Statements

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1965 and June 30, 1966, are presented in Exhibit A. As indicated therein, the Net Debt decreased by $6,576.84 during the fiscal year ended June 30, 1966.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1966, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of $42.21, plus a net unexpended balance of appropriations of $32.86, resulted in a net budget surplus of $75.07.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1966, is indicated in Exhibit F.

Statement of School Lunch Account: (Exhibit G)

A statement of the activity in the School Lunch program account during the year is presented in Exhibit G.

Statement of School Tax Account: (Exhibit H)

A statement of the School Tax Account with the Town of Holderness is included in Exhibit H. As indicated therein, as of June 30, 1966, the School District had received from the Town the total amount of the 1965-1966 School Tax.

Statement of Long Term Indebtedness (Exhibit I)

A statement of the outstanding long term indebtedness of the School District as of June 30, 1966, showing annual debt service requirements, is contained in Exhibit I.

General Comments

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by $1,298.16, from $1,373.23 to $75.07, during the fiscal year ended June 30, 1966, as shown herewith:

	June 30, 1965	June 30, 1966
Total Assets	$10,071.27	$1,117.00
Current Liabilities	8,698.04	1,041.93
Current Surplus	$1,373.23	$ 75.07

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or a summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Holderness School District for their assistance during the course of the audit.

Very truly yours,

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Holderness:

I respectfully submit my twelfth annual report as Superintendent of Schools.

Staff

School opened in September of 1966 with the following changes on the teaching staff:

Mrs. Linda W. MacLeod, a graduate of the University of Massachusetts, and a former teacher in Littleton, N. H., was employed to teach Language Arts in the departmental set up in grades five through eight.

Mrs. Peter Dane was employed as Special Help and Remedial Reading Teacher from January to June last year under Title I Funds of Elementary and Secondary Act of 1965.

Mrs. Mavis O. Corbett assumed the duties of Special Help and Remedial Reading Teacher, also Reading in grades five and six.

Title I Funds are being used again this year for the Special Help and Remedial Program with Mrs. Corbett handling some of the classes in grades five and six due to the increase in enrollment.

Mrs. Rose E. Carvelli, of Holderness, replaced Mrs. Marion Wing as Director of the School Lunch Program.

Mr. Victor F. Currier, of Holderness, replaced Mr. Stanley Adams during the last school year and continued on as custodian.

Additions And Improvements:

The program of having the graduating class plant shrubs was continued and two additional trees were planted for landscaping in front of the school.

Venetian blinds were installed in grade five classroom.

Ten new desks and chairs were purchased for the grade six classroom which formerly served as a library.

A new copy machine was purchased and proven to be very valuable in making masters for further copies and also for making transparencies for use with the overhead projector.

Costs

The proposed budget for 1967-68 which is printed near the front of the school section of this annual report shows an increase of $1,637.93 but the annual assessment or amount to be raised by property taxes is $2,583.30 less as there will be an anticipated balance in tuition and $250.00 Contingency Fund that was authorized in case of an emergency.

The tuition rates for the 1967-68 school year where Holderness High School pupils are in attendance are as follows: Ashland, $589, Inter-Lakes $601, Plymouth $584 and Laconia $583. The proposed item for tuition is based on anticipated enrollment of 65 high school pupils next year.

Conclusion

For the Superintendent as well as for the teacher, the exhilaration of his work is in the constant pursuit of the vital objective—the best possible education for every pupil. Guided learning takes place in the classroom and at this time I wish to commend the members of the teaching staff and Mr. Kenneson for the excellent job they are doing in meeting the needs of the individual pupils.

The School Board, as the agency designated by the District and State, decides the policies, and the Superintendent's duty is to see that they are carried out. The Holderness School District is indeed very fortunate in having such a dedicated School Board.

Through the combined efforts of the various organizations and individuals a quality education is being provided the citizens of the future.

MARTIN E. HEFFERNAN

Superintendent of Schools

SUPERVISORY UNION NO. 2

BUDGET

The Supervisory Union Budget for the 1967-68 school year is prorated among the three districts on the basis of the 1965-66 average daily membership and the 1964 equalized valuation as follows:

District	Percentage	Supt's. Salary	Office Exp. Sec. Salary & Travel
Ashland	18.90%	$ 1,937.25	$1,641.84
Inter-Lakes	67.50%	6,918.75	5,863.66
Holderness	13.60%	1,394.00	1,181.42
	100.00%	$10,250.00	$8,686.92

The Suerintendent's salary for 1966-67 is $12,000.-00. The Supervisory Union's Share is $9,500.00 and the balance of $2,500.00 is paid by the State Department of Education.

REPORT OF THE PRINCIPAL

To the School Board, Superintendent of Schools, Parents, and Citizens of Holderness.

I hereby submit my second annual report as Principal of the Holderness Central School.

The school year started with opening of school September 7, 1966. Student enrollment is down to 152. We were very fortunate to get Mrs. McLeod as additional teacher for the sixth grade. The instrumental music program is continuing to move forward with Mr. Bushnell and Miss Dickinson who replaced Mrs. Philips. The school library has been moved out of the fifth grade room into what was the teachers room. This allows students greater access to the library. Mrs. Rose Carvelli has replaced Mrs. Wing in the hot lunch program and the program is continuing to be one of the best in the state. The remedial program this year has moved ahead with Mrs. Corbett spending part of her teaching day working with the lower grades and doing a fine job.

Skating is again enjoyed by the students due largely to the efforts of the Holdernese Fire Department.

The interscholastic athletic program is continuing to improve at a rapid pace. Holderness Central School has inter-scholastic teams in flag football, basketball, and baseball for the boys. Mrs. McLeod has been handling cheerleading as well as girls basketball and softball. Mr. Moulton's flag football team won the Pemi League Football Championship this year.

The students from Holderness Boys School, under the direction of Rev. Judge, gave the students of Holderness Central a Christmas Party at which time gifts were given to the first four grades and a sum of money was given to the upper grades for equipment.

I believe that Holderness Central School has moved forward in many areas this year due largely to the efforts and support of many individuals and organizations. I would like to thank each of you and especially the members of the School Board, Mr. Heffernan, and the members of the staff who have worked so cooperatively with me.

Respectfully submitted,

GUY D. KENNESON
